Military Courses

Military Course ID	ACE Identifier Course Title Location-Description-Credit Areas	Dates Taken	ACE Credit Recommendation	Level
A-950-0001	NV-2202-0165 V03 Recruit Training: Upon completion of the course, the student will be able to demonstrate knowledge of general military and Navy protocol, first aid, personal health, safety, basic swimming, water survival skills, physical fitness, and fire fighting.	03-DEC-2012 to 02-FEB-2013		
	• Personal Community Health		1 SH	L
	• Personal Conditioning		1 SH	L
	(10/06)(10/06)			
A-610-0022	NV-1710-0117 V02 Interservice Construction Mechanic Apprentice: Construction Training Center Port Hueneme, CA Upon completion of the course, the student will be able to operate, perform routine maintenance, and troubleshoot gasoline and diesel internal combustion engines and their integral subsystems including lighting, starting, charging, fuel, emissions, hydraulics, suspension, transmission, steering, clutch, braking, and warning systems.	25-FEB-2013 to 16-MAY-2013		
	• Drive Train Systems		2 SH	L
	• Electrical And Electronic Systems		2 SH	L
	• Hydraulic Systems		1 SH	L
	• Internal Combustion Engines		3 SH	L
	• Pneumatic Systems		1 SH	L
	• Steering And Suspension Systems		1 SH	L
	(9/04)(9/04)			
A-830-0030	NV-2201-0128 V01	03-JUN-2013 to 05-JUL-2013		

Expeditionary Combat Skills:

Center for Security Forces Learning Site Gulfport, MS
Gulfport, MS

Upon completion of the course, the student will be able to perform basic first aid, land navigation, military communications, firearm safety, accomplish high-risk security operations; identify and safely handle counter-improvised explosive devices; perform basic movement while engaging targets and exercising judgment-based engagement training; demonstrate knowledge of combat mind set, chemical, biological, radiological and nuclear training.

- First Aid 3 SH L
- Military Science 3 SH L

(3/09)(3/09)

Military Experience

Occupation ID	ACE Identifier Title Description-Credit Areas	Dates Held	ACE Credit Recommendation	Level
NER-CA	NONE ASSIGNED Constructionman Apprentice: Perform tasks directly related to the seven construction ratings and the duties of tactical Squad/Team members of Seabee Combat Units. • None	03-DEC-2012		
NER-SA	NONE ASSIGNED Seaman Apprentice: Apprentice training to further advanced training in specialized Navy occupations. • None	03-DEC-2012		
NEC-90CS	NONE ASSIGNED Expeditionary Force - Combat Skills: Obtains necessary individual knowledge, skills and abilities to perform basic/combat first aid, don and wear Individual Combat Equipment (ICE) and Chemical, Biological and Radiological (CBR) gear, function safely in a field and CBR Nuclear Explosive (CBRNE) environment, learn basic Land Navigation, understand basic radio communications procedures and reports, Counter-Improvised Explosive Device(C-IED) operations and conduct range live fire, missions and ammunition handling safely with minimum risk. Demonstrates, qualifies and is comfortable with both primary and secondary weapons. Performs basic movement while engaging targets, transitions from primary to secondary weapon, executes vehicle emergency egress procedures, and conducts live-fire exercises in a controlled environment. Familiar with the psycho/physiological effects induced during deadly force or life threatening confrontations and measures to effectively minimize their impact on engagement decision making during Judgement-Based Engagement Training (JET). • None	09-JUL-2013		
NER-CN	NONE ASSIGNED Constructionman: Perform tasks directly related to the seven construction ratings and the duties of tactical Squad/Team members of Seabee Combat Units. • None	16-SEP-2013		
CM2	NER-CM-004 Construction Mechanic (CM):	16-JUN-2016		

Construction Mechanics (CM) perform tasks involved in maintenance, repair, and overhaul of automotive, materials handling and construction equipment; assign and supervise activities of assistants who locate, analyze and correct malfunctions in equipment and issue repair parts; maintain records; prepare requisitions and reports; train assistant in repair procedures and techniques; maintain individual combat readiness; and perform tasks required in combat and disaster preparedness or recovery operations. Troubleshoot, repair, and maintain systems and functions on automotive, construction, mobile and material handling equipment systems including braking, chassis and body, steering, suspension, electrical, fuel, lubrication, pneumatic and hydraulic; assist in major repair operations on gasoline and diesel engines, power train and auxiliary systems; use basic electrical troubleshooting tools; repair and maintain heating, cooling and refrigeration equipment on mobile equipment; and maintain safe working conditions on related jobs and equipment. Supervise the troubleshooting, repair, and maintain systems and functions on automotive, construction, mobile and material handling equipment; supervise troubleshooting, repair, and preventive maintenance on braking, chassis and body, steering, suspension, electrical, fuel, lubrication, pneumatic, and hydraulic systems; perform engine control diagnostics and troubleshooting using computer based tools; perform and supervise major repair operations on gasoline and diesel engines, power train, and auxiliary systems; supervise the repair and maintenance of heating, cooling, and refrigeration equipment on mobile equipment; and evaluate and supervise safe job site conditions related to mobile equipment repair and maintenance.

• Air Conditioning And Refrigeration Systems	2 SH	L
• Automotive Electrical Systems	3 SH	L
• Heavy Equipment Maintenance And Repair	3 SH	L
• Hydraulics And Pneumatics	3 SH	L
• Internal Combustion Engine Fundamentals	4 SH	L
• Supervision	3 SH	L
• Vehicle Repair Maintenance	3 SH	L

(8/11)(8/11)

NONE ASSIGNED -- Occupation not evaluated by ACE or not evaluated during the time frame held by service member.

College Level Test Scores

NONE

Other Learning Experiences

This section provides a record of the service member's learning experiences that do not have credit recommended for one or more of the following reasons:

- (1) Course has not been evaluated by ACE.
- (2) Class attendance dates were not recorded in the service member's record.
- (3) Course was not completed during the ACE evaluation period.
- (4) Course was not evaluated by ACE at this specific location.

Course ID	Date Taken	Title	Location	Reason

JST Official Transcript Explanation

The American Council on Education (ACE) is the nation's unifying voice for higher education. ACE serves as a consensus leader on key higher education issues and seeks to influence public policy through advocacy, research, and program initiatives. ACE's Military Programs evaluates formal service courses and occupations approved by a central authority, employing the services of teams of subject-matter specialists from colleges and universities (professors, deans, and other academicians) that, through the discussion and the application of evaluation procedures and guidelines, reach consensus on content, description, and amount of credit to be recommended for selected courses and occupations. For comprehensive information on the ACE Military Evaluation process, consult the Course and Occupation Evaluation Systems, described in the online Guide to the Evaluation of Educational Experiences in the Armed Services at: <http://www.acenet.edu/higher-education/topics/Pages/College-Credit-for-Military-Service.aspx>.

ACE, the American Association of Collegiate Registrars and Admissions Officers (AACRAO), and the Council for Higher Education Accreditation have developed a set of guidelines contained in the Joint Statement on the Transfer and Award of Credit (<http://www.acenet.edu/news-room/Pages/Joint-Statement-on-the-Transfer-and-Award-of-Credit.aspx>) that are intended to serve as a guide for institutions developing or reviewing policies dealing with transfer, acceptance and award of credit for courses and occupations completed in a variety of institutional and extraintitutional settings, including the military. More information on guidelines for awarding credit for courses and occupations appearing on JST transcripts is contained in The AACRAO 2003 Academic Record and Transcript Guide.

Service members may request copies of JST transcripts directly from the Operation Centers at <https://jst.doded.mil>. ACE does not issue these transcripts or make any adjustments to missing or incorrect information contained in them. Service members must contact the respective service specific Operations Centers for adjustments or corrections to the transcripts. Colleges and universities may also receive web-based official copies of these documents by contacting the JST Operations Center at jst@doded.mil.

Understanding JST Transcripts

The full exhibit and description for courses and occupations listed on JST transcripts can be found in the Guide to the Evaluation of Educational Experiences in the Armed Services which is available only online at: (<http://www.acenet.edu/news-room/pages/military-guide-online.aspx>) and updated on a daily basis as new courses and occupations are evaluated for recommended credit.

Key to transcript terms:

Military Course ID - This is the number the military service has assigned for this particular course.

SH - Semester hours.

ACE Identifier - The number ACE assigns a particular course. Courses are identified by a 2-letter prefix that designates the military service (AF - Air Force, AR - Army, CG - Coast Guard, DD - Department of Defense, MC - Marine Corps, and NV - Navy), followed by a unique eight-digit course identifier.

ACE Credit Recommendation is listed in semester hours, in the following categories:

V = Vocational; L = Lower level (freshman or sophomore level); U = Upper level (Junior or Senior Level); G = Graduate level.

Dates Taken/Dates Held - Courses and occupations will normally have a start and end date that will show the time period the course was completed or the occupation was held.

Location - Valid location(s) where the course was completed.

Occupational Codes:

Army MOS:

MOS - Army MOS has 5 digits. The first 3 digits identify the occupational specialty and the last 2 digits identify the skill level (E1-E4 = skill level 10; E5 = skill level 20; E6 = skill level 30; E7 = skill level 40; E8 = skill level 50; E9 = skill level 60).

Navy Rates and Ratings:

NER - Navy enlisted rates are occupation identifications assigned to personnel at paygrades E-1 to E-9. Each general rate involves the performance of entry-level tasks and leads to one or more ratings. Career patterns from recruit to master chief petty officer are identified by 4 to 5-digit codes.

NEC - The NEC Structure supplements the Enlisted Rating Structure by identifying skills requiring more specific identification than that provided by general rates and ratings and that are not rating-wide requirements. Selected NECs have been evaluated by ACE to date.

LDO, NWO - Limited Duty Officer, Navy Warrant Officer - Technical officer specialists who perform duties that are technically oriented, with skills acquired through experience and training that are limited in scope to other officer categories. These specialties are normally identified by 4 digits, each successively providing more precise identification of the individual holder.

Marine Corps:

MCE - an MOS has 4 digits and a descriptive title; the first 2 digits normally describe the occupational field and the last 2 digits identify the promotional level and specialty within the occupation.

MCO - officer MOS.

Coast Guard:

CGA - Coast Guard officer aviation competencies.

CGR - Enlisted rating structure used for classified enlisted personnel and qualifications, with career levels from recruit to master chief petty officer.

CGW - Coast Guard Warrant Officers are technical officer specialists who perform duties that are technically oriented and acquired through experience and training that is limited in scope and relation to other officer categories.

MATMEP - Maintenance Training Management and Evaluation Program, a standardized, documentable, level-progressive, technical skills management and evaluation program for enlisted aviation technical maintenance training. The Summary sheet submitted by the service member lists the current level of training completed and should be used by the evaluator to verify the attained level in awarding credit.

DANTES - The Defense Activity for Non-Traditional Education Support maintains the educational records of the service members who have completed DANTES subject Standardized Tests (DSSTs), CLEP examinations, and GED tests. For examinations administered at military installations, results of these tests may appear on JST transcripts for consideration in the award of the recommended credit. However, individual colleges and universities may reserve the right to request official scores directly from ETS or DANTES, to confirm completion of these exams and the credits recommended.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP) - The College-Level Examination Program or CLEP provides students of any age with the opportunity to demonstrate college-level achievement through a program of exams in undergraduate college courses. There are 2,900 colleges that grant credit and/or advanced standing for CLEP exams.
